Hasn't Stopped Advertising.

The failure of the advertisement of Mr. A. B. Cathcart to appear in the issue of last week was due to an error here in the office and not to his having discontinued his advertising. Mr. Cathcart began the use of printer's ink in advertising about two years ago and his returns therefrom have been too satisfactory for him to discontinue at this time. He does not only believe in advertising, but he believes that the best policy is to be ever at it. And in the long run this is the policy that pays best. It not only pays to advertise, but it pays to advertise all the time; and advertising pays best when there is advertising all the time. Others will be profited by the experience of Mr. Cathcart not only in beginning their advertising, but in keeping at it all the while.

Notice.

Notice is hereby given that the health of the people of this county is in imminent danger and must be taken care of. It has been decided that every precaution be taken to prevent prolonged cases of pneumonia, grippe, etc. The best thing to do is to give a good cough mixture as soon as the cough starts. Get MURRAY'S HOREHOLD, MULLEN AND TAR. Only 25c. a bottle. At all druggists.

Woodward's New School Building.

It was our pleasure Friday evening to attend the hot supper at Woodward, given by the ladies of that community for raising funds for buying desks for the new school building, which has just been completed and in which the entertainment was held. The people of that section are taking a great deal of pride in this neat and comfortable little building and deservedly so; for they have contributed largely the funds necessary for its erection and are showing the same commendable interest in its equipment. Despite the fact that the evening was a very inclement one indeed, there was a good attendance and the snug little sum of \$22.40 was raised. After all had partaken of the supper, which was lacking

neither in quantity nor in quality, a number of games were played till a late hour, thus making the occasion one of pleasure as well as profit. The people of Woodward are very much interested in their school, which is being most successfully taught by Miss Nan-nie Nicholson.

PRIMARY ORDERED FOR AUDITOR

By the Executive Committee at its Meeting Saturday for Jan. 17th.

The County Democratic Executive committee at its meeting Saturday, at which there were nine members present, ordered a primary for Jan. 17th for nominating a successor for auditor to fill the vacancy caused by the death of the nominee, Mr. John Hollis. Should there not be an election at this primary, a second primary will be called for Jan. 24th. The candidates were assessed \$7.50 each and the managers are to be paid fifty cents each per day for the first primary and the same amount for the second if there be one. Thursday, Jan. 12th, was fixed as the last day for the filing of pledges. The tickets will be printed at once and mailed out to the managers this week. On account of the small number of candidates to be voted for, the managers can get up special boxes for holding this election. The county executive committee will meet on the 10th for the purpose of tabulating the vote, at which time all votes must be in, and there should be a full attendance of the committeemen.

Managers are requested to mail or phone the results of the count as soon as it is made, so that the full returns can be published the first afternoon after the election is held.

All who have become of age since the last general election and those who have come into the county within the past sixty days can vote at this election by having their names enrolled on the club five days before the primary. This will have to be attended to at once.

The Best All-Around Tonic—Can't be Beat.

Columbia, S. C., Nov. 28, 1903. Gentlemen: I have taken one bottle of Iron Blood and Liver Tonic, and I have just bought the second bottle. It has done me a great deal of good; I am stronger and feel better in every way, my appetite is good, and I digest my food. As an all-around tonic Dr. James' Iron Blood and Liver Tonic can't be beat. Yours, W. B. Taylor, Columbia, S. C.

FOR COUNTY AUDITOR.

I hereby respectfully ask each and every voter of Fairfield County for the office of Auditor, subject to the rules of the primary. Respectfully, J. N. CENTER.

I am a candidate for the office of Auditor of Fairfield County, subject to the action of the Democratic primary. W. W. KETCHIN.

I am a candidate for the office of Auditor of Fairfield County, subject to the action of the Democratic primary. E. F. PAGAN.

The many friends of Mr. JAMES L. RICHMOND respectfully present his name to the voters of Fairfield County for the office of Auditor, subject to the action of the Democratic primary.

Bank Officers Elected.

At a meeting of the board of directors of The Winnsboro Bank, held on January 5th, the following officers were elected for the ensuing year:

T. K. Elliott, president.
T. W. Lauderdale, vice-president.
Jas. Q. Davis, cashier.
W. G. Jordan, assistant cashier.
Thomas Jordan, teller.
Charles F. Elliott, discount clerk.

Capt. Jordan's promotion to assistant cashier has been won by filling the position of teller most efficiently. His son, Thomas, who succeeds him as teller, has been in the bank for three years and has filled his position most acceptably to the officers and customers of the bank. His promotion is deserved and he will make an efficient teller.

The position of discount clerk, made vacant by the resignation of Mr. J. E. Matthews, who goes to Columbia, is to be filled by Mr. Chas. Elliott, the second son of President Elliott, under whose administration the bank has achieved such success that its stock recently sold on the market at \$175.50, though its book value is only \$150. The son will make an efficient clerk.
